

## Gas Vent Bollard

Page 1

nbsPlus

- Effective outlet for Visqueen's Gas Venting System
- Supplied in various finished formats
- Made to a high standard and easy to install
- Provide an aesthetic yet functional solution for dispersing ground gases

### Description

Our range of gas venting bollards include self finished stainless steel, powder coated steel (as shown) and also from HDPE. It makes for an aesthetic yet functional means to terminate the venting. The bollards are made to a high standard and are easy to install. Each bollard comes with a coupler to allow for a 110mm pipe or an elbow to be connected.

The Gas Venting Bollard is 1200mm in height, allowing for a standard 800mm-900mm above external ground finish level. The 110mm diameter gas venting bollard allows for a 25,000mm<sup>2</sup> free air flow.

### Application

Gas Venting Bollard is an effective way to provide an outlet for the gas venting system.

### System Components

- Visqueen Gas Venting Mat - a geocomposite drainage and venting mat
- Gas Vent Outlet
- Gas Vent Pipe

### Design Support Service

At Visqueen Building Products we have a range of gas membranes and venting layers with accessories for selection and specification for different construction types and gas regimes. In addition Visqueen offers a full design service for the gas venting package. The designs take full account of site investigation reports and current guidelines. Please note depending on the complexity of the design this service can be chargeable.

### Appendix A

#### Visqueen Building Products

Visqueen is the market leader in the manufacture and supply of structural waterproofing and gas protection systems. Visqueen offers the complete package - a proven, reliable range backed by a technical support service that goes unmatched in the market - everything you would expect from a reputable and ethical company.

#### System Accessories

To ensure full waterproofing protection please use the following certified system components:

- Visqueen High Performance (HP) Tanking Primer
- Visqueen TreadGUARD1500
- Visqueen Protect&Drain
- Visqueen Top Hat Unit

#### Downloads Library

- Technical Datasheet
- Declaration of Performance
- Visqueen's Guide to CE Marking

#### Find your local stockist

Search our directory of Visqueen specification Stocking Centres to locate your nearest Visqueen Partner.

#### Distributor Support

Our specification Stocking Centres can access a free library of sales support tools, bespoke catalogues and more, [click here](#).

#### Technical support throughout your project

We are specialists in our field and can help you specify the correct solutions with the necessary performance levels, in accordance with building regulations.

- Nationwide site support team
- Specification advice
- Installation guidance & project sign off
- System design including CAD details
